

Lab Programs

- 1) Write a Program to read year as input and find whether it is a leap year or not. Also consider end of centuries.
- 2) Program to print Fibonacci series.
- 3) Write a program to enter a character and then determine whether it is a vowel or not.
- 4) Write a C program to display all the ASCII values and their equivalent characters using while loop?
- 5) Write a C program to display the right most digit of any integer?
